

Bertha R. Smith

September 17, 1942 - June 10, 2024

Bertha Rodriguez Smith was called to her Eternal Home on the evening of Monday, June 10th, 2024, at the age of 81. A beloved beacon of strength, love, and faith, she left this earth and our hearts filled with memories and love. For 81 years, she graced us with her compassionate giving heart. Bertha always put everyone else first, offering guidance, friendship, and open arms, providing exactly what one's heart and soul needed. It was her gift. A selfless soul and pillar of both family and community, she was often referred to as an Angel on earth. Bertha's strength and faith were reflected in the life she lived and remain in the legacy of family and friends she has left behind.

Preceded in death by her husband Bob Smith, Bertha has eternally joined the "love of her life." Married 53 years, and together 58 prior to Bob's passing, her wishes were that everyone experience the type of love she and her husband shared for each other all those years. Theirs was a true love story.

Bertha is survived by her daughter Bernadine (John) Martinez, son Bobby (Yvette) Smith Jr, grandsons Miguel, Bobby III, Christopher, and Daniel; six sisters, two brothers, brother and sister-in-laws; numerous nephews and nieces, several great nephews and nieces; and other extended family members.

Bertha is preceded in death by her granddaughter Kathryn, father Luis, mother Eleuteria, father-in-law Ben, mother-in-law Emma, brother Fidencio, brother-in-law Donald, sister-in-law Louise, and sister-in-law Emma..

“ I went to Woodlawn Hills Baptist Church with the Smith family 40+ years ago, and probably last saw them 25+ years ago, but I remember them very well! I remember them because they were such good faithful Christian people. They were always kind and generous, and you could tell that they brought up their children in the right way. Our prayers are with your son and daughter, and their families, but I know that they will do well because of the kind of parents, Mr. and Mrs. Smith were. I also know will have a great reunion someday in heaven!

“ My precious mother, i miss you so much. My world is off balance. I have a thirst that I can not quench. I am looking forward with one eye closed and backwards trying to see the past. With your wisdom silenced I feel a never ending need for knowledge. Your hug that has comforted and made me feel safe for all of my life is no longer within my grasp. I am scared. I know that Gods plan has been completed in your life here on this earth perfectly but as I should not be, I am confused. I will be fine mom. I will use what you have taught me all my life to complete Gods plan for my family and I. I will love my spouse til' death do us part. I will cherish my children like they were newly borns over and over. I will ask God to give me the answers that You are no longer able to give. I will help and respect others even when it hurts. I will be a man of God before a man of men. I will not question Gods will. I will keep his commandments. We will never forget you. You are finally where the “roses never fade”. Please know mom, my tears are for you, not for me. God is good all the time. I love you for eternity and all of Gods time. I miss you mama.
