“ I remember my first year at Legacy and I saw Bette walking in the hallway and wondering why Lucas's (my brother-in-law) aunt was on our campus. Thats when I realized, hey we work together. Then eventually she worked in my room helping students. She was always moving, never slowing down. Bette, you will be missed greatly!! Love always Darrin, Sherri, Hayleigh Nunnallee, Whitney Erskine and Heather Thompson

“ *Bette will be missed dearly. I had the priviledge of working with her for many years. She was deeply dedicated to her work and her faith. She is probably driving the Bus, delivering the Saints to Heaven's Gates.
Condolences to her family, and many friends.
God Bless and Love, Karl and Sharon George*

I met Bette at Legacy Muddle School. She was a tireless, dependable asset. She believed in tough love when working with challenging students but she was always available to help a struggling student. Bette touched the lives of many and will be dearly missed. May she Rest In Peace. My condolences to her family. Katherine Mead

Awesome aunt. Best memory was nearly every Summer she would stop at our house and drop off sunglasses for each one of us kids. there was 8 of us. So glad she did because me and my sister would take plastic lids off coffee cans and try to make our own sunglasses . she was a giver.
