“ I was looking up people for our 50th ECHS class of '76 reunion and sadly, I came across this obituary. I was good friends with Betty in high school and spent many hours at her house. She and her friend, Cindy Liverett helped me so much in Algebra and Geometry and we shared a love for animals. I think of her often when I drive d I wn Suphur Springs Rd. She will be missed but not forgotten.

“ Hey Crystal,
I'm so sorry to hear this. Your Mom was/is definitely on my top ten list of the coolest people I ever met. So kind, and selfless. A light in this world definitely has gone out!
I wish you all the best of positive vibes, and may peace be with you. I know it's a little late in the game, but please, please let us know, if you ever need ANYTHING. (I know people say that all the time, but I mean it!). Y'all were there for us, when were in need. Would like to return the kindness sometime, anytime. Please take care, and don't be a stranger. I'll PM our current numbers to you.
