“ My most beautiful and loving friend/ex co worker. You left me so soon. I still am in disbelief. Thank you for the beautiful memories and moments we shared. Thanks for the long talks we had. You and I became good friends we were always there for each other when we needed to talk, vent or just to see how we were doing. Thank you for also being a mom to my son Jonathan there at work. You welcomed him with open arms. Thank you friend you always told me you would work with me anytime because we always enjoyed each other's company. ❤️ Rest in Peace my beautiful Betty this is very hard to swallow and it hurts me so much that you have parted from this world. You will always have a very special place in my heart. Til we meet again. It's not a good bye it's a see you later. Love and miss you. ❤️🙏
