“ We certainly enjoyed having Betty as our next door neighbor for 18 years. She was a great person to talk to and she helped watch out for our young family in those days. We moved away over ten years ago but we miss having a neighbor like Betty.

“ I stayed in touch with Betty after our mother passed away. She and Mom were such good friends. I always heard from her at Christmas, but didn't this past Christmas. You Ehlers were a big part of my life growing up as I baby sat with you—Glen, Glenda, and Ricky. So many memories! I can't leave out my Dad's friendship with your Dad. They shared many conversations. I loved your family. You were blessed to have your mom this many years. Sending my love to you.

“ Dear Mrs, Ehlers, a Mom, a Grandma, a Sister, a Great Grandma, my friend and a darn good baker! She loved to bake and I know that when she touched that bowl to make “Anything” it was filled with love! She never would tell me her secrets to successful cakes and cookies and cobblers but I now know what the secret ingredient was, Simply Love! Thank you, Betty, (she gave me permission this Christmas after 3 decades of friendship to call her that) Thank you so much for sharing your family, your friendship, your love and stories and especially your tasty dishes with me! I will treasure you always! Love Nancy Mussey
