“ I was so sad to hear of Betty's passing in December. I have so many fun and dear memories of working with Betty, Terrie and Stacey Serold back in the 80's at Control. It was my first "real" job and Betty helped me learn the ropes when I started. We were such close colleagues and thought we were hot stuff. Betty was a bridesmaid in my wedding 30 years ago this month. I think of you so often, and will always love your bright spirit Betty. I send deep condolences to the family. “ The Merz kids and the Finch kids grew up together, our parents being friends. I have fond memories of the many vacations we took together, and time spent together. I felt like we were all brothers and sisters in a large family. Betty was always a sweet and kind person, a friend. Though we all became busy in our adult lives, true love and friendship never separates our hearts. I am sorry to hear of her passing, she will be missed. Alice Merz McWhorter

“ Betty was a very loving person. I had known Betty for over thirty years, and I am thankful for the two beautiful and loving grandchildren she gave to me and my husband Bill. Her love and dedication to her immediate family, mother and father, brothers and sisters was commendable. I will remember her for the great qualities she had and will miss her. May she rest in the loving arms of our dear Jesus Christ.
