“ *My sincerest condolences to the Fowler family. My parents, Brian and Anita Cirner were good friends with Murl and Betty when they lived in Covina. My sister Marie and Gary attended Kindergarten together. I have very warm memories of Murl and Betty and the entire Fowler family. I was close in age to Ronny, and our family moved from the Covina area about the time that Murl and Betty moved to San Antonio. Betty was a very kind, very sweet woman and had a meaningful impact on my family. My parents cherished their friendship with Murl and Betty. May her memory forever be an eternal blessing to all who knew her.*
