“ *Betty and Mama were best friends, calling each other daily and traveling all over together with Greg too. I was grateful that when Mama went to heaven, Mimi stepped in and so Betty and Mimi called each other every day. I thank God for Betty; she was a good friend. I lift you all up in this terrible time of grieving, that never goes away, but does seem to grow sweeter as we imagine heaven. I'm so glad it's real. Amen.*

“ *Betty touched many lives, including my granddaughters who would visit from Missouri at Christmas and would deliver cookies to her house. When we say our prayers at night, they always include Betty. I will miss her dearly and am broken-hearted because she became a dear friend to me. I especially will miss hearing her voice as we both were limited to phone calls once we both became house bound. I remember Betty from our Kelly days...although we only talked on the phone back then too, fate would have us meet later in life and become neighbors. I am so sorry I will be unable to attend her service but know that she is always in my thoughts and prayers.*

“ We are deeply saddened at the loss of Betty. We were blessed and grateful to have had her as our neighbor for as long as we did. She will be greatly missed by our family. God has called one his angels home.

We are really going to miss Betty. She was a nice lady who my mom, (Mary Banda) really enjoyed talking to. We have all been in the same neighborhood for so many years. Things just aren't going to be the same without her there. Rest in Peace Betty.

“ Remembering Aunt Betty brings back a fond memory of a wonderful visit with her in San Antonio when she prepared a delicious taco dinner for our family. Dad and Mom always enjoyed their visits with her, Greg, Paul & Kathy, as well as staying in touch by phone. May happy memories bring comfort to her loved ones. Suzy Hardin Pratt
