“ Hi Leslie. Well, I don't ever see obituaries so I'm sorry that I didn't know sooner. A memory came up on FB of Mom today and while my mind was wandering, it landed on your mom so I did a quick google search and found this. I'm sorry for your loss. Betty was the last of the 4 cousins that hung together. I remember always hearing about my mom, Irene, Betty, Josephine, and Virginia. So now they're all together again. And forever in our hearts... Hope you are well. Kevin Moore

“ To our Aunt Betty's Family,

*What a wonderful and cherished lady. The many memories of she and Uncle Junior. I am so glad that I became part of the family. My first meeting with them was at their home behind the old Sears. She was so devoted to her family oh and what a cook.. May you always keep your memories close to heart.*

*Love,  
Joyce*
