

Betty Gene McDougall

May 24, 1931 - December 23, 2020

Betty Gene Buchi McDougall went to be with the Lord on December 23, 2020 at the age of 89. Betty attended Harlandale High School where later as a parent she was also active in PTA within the district. She enjoyed cooking, especially for holidays and large family gatherings. Her children and grandchildren will always cherish the memories of Easter egg hunts, Christmas Eve gatherings, fun dune buggy rides and always good food. She was also a talented seamstress and gardener. She especially enjoyed the bluebonnets and wildflowers that bloomed in the fields around her home. She was preceded in death by her husband of 53 years Donald Zesch McDougall. She is survived by her four children Linda Mae Pope, Deborah Gene Wedlake (Bill), Donna Alice McDougall, Floyd Henry McDougall (Cynthia) and her sister Ava Tollett; her eight grandchildren Brian Pope, Kevin Pope, Stacey Wedlake (Tobias Kammer), Shay Wedlake (Erin Day), Alison Harper (Jeremy), Henry McDougall (Jennifer), Matt McDougall (Renee) and Todd McDougall; also six great grandchildren, along with numerous nieces, nephews and friends.

The family wishes to extend their heartfelt gratitude to Heartis San Antonio and Freedom Hospice. Their compassionate and loving care will never be forgotten.

A private graveside service will be on January 2, 2020 at Mission Parks South for immediate family only. Those wishing to honor her life may make donations to the Alzheimer Association or a charity of their choice.
