“ *I first met Betty Jane in 1949 in our first grade class. She was always, sweet, kind and soft-spoken. I last saw her at our 40th class reunion where she amazingly looked so very much as she did in school.*

I am sure she has a great heavenly reward for her

“ I will miss Betty tremendously. She was my friend for 19 years. She was there with my first born and always wore a smile, no matter how tuff things got for her. She was always thinking of others and especially Jake and Carol Ann. When I think of Miss Bett

“ Betty was a great friend. Always cheerful and up beat. She made those who new her laugh and enjoy her company. She was the best Spurs fan I ever met with tons of team spirit. The lord keep you. We will miss you very much.
