“ *The family of "Mrs. Troutman".  
I was proud to call her friend.  
She made me smile when she called me her computer man.  
All the years we knew each other 2005 to 2018 we were surely  
blessed.  
We celebrate her life and know she is with our Lord.*

*Aunt Betty was a wonderful aunt and very talented in so many things. I was always in awe of all her talents, especially oil painting, and her knowledge of plants and gardening. I loved visiting her at the holidays when she would visit my dad, Archie in Westhoff before his death. Enjoy being with the Lord in eternal life and being reunited with all your family that have gone before you. Love you Aunt Betty!!
