“ My beautiful, sweet aunt Laverne I love you so much, and will miss you dearly. I will never forget you you put the fear of God in me lol you always told me that you would beat me with a wet noodle. You made me fade but, as a little girl, I laughed inside, I knew in my heart that you would never lay a finger on me but I took you serious each and every time I will never forget coming to your house when we lived in San Antonio and playing with Susie and they'll does dolls especially the one that bit my finger Lol she really didn't bite me but as a little girl as young as I was, I thought she did and I remember screaming for you and started to cry and you laughed but you reassured me that that dog could not bite my finger because it had no teeth. Oh God, I love you sweet lady Call mom and I am going to miss you dearly fly.
