“ *I regret that I was unable to attend Bev's Services, but hope that Kevin and her loved nieces and nephews will find consolation in the many prayers and thoughts I have sent your way. I worked for her for many years and I treasured her friendship for those years and beyond. Kevin, your Mom was an inspiration to me and a treasured friend. I certainly feel her loss. God Bless her and your family.*

“ My condolences to the family and prayers for peace. My mom, Patricia Schultz, worked with Beverly at the Federal Reserve Bank and they became good friends. I met Beverly myself and enjoyed her bubbly personality. I lost my mother December of 2011 and have often thought about her friends and reminisced about some of the memories. Beverly will be deeply missed. May she Rest In Peace.

“ *Condolences to the Hooper family. I met Bev at the Federal Reserve where we became part of the Fed family. She always greeted you with a cheerful face and was bound to make you laugh at some part of the day! She had a great sense of humor and a contagious laugh. Fly high with the angels Bev!*
