

## Beverly Marple Hutzler

December 12, 1946 - April 8, 2020

Beverly Marple Hutzler, age 73, passed away on April 8, 2020, due to complications from cancer. During her three-year illness, she maintained a positive outlook and brought joy to others.

As a life-long resident of San Antonio, Beverly was born on December 12, 1946, to Glenn and Louise Marple. She graduated from Thomas Jefferson High School (1965) and Texas Woman's University (BS 1969). Beverly married the love of her life, David Paul Hutzler, on July 5, 1969. Together they raised four children and had three grandchildren.

Beverly enjoyed tending to her flower garden, reading books, traveling, camping and creating craft projects. She loved birds and was gifted with many owl figurines throughout her lifetime. She found joy in decorating her house for every holiday. Blessed with many friends, she could strike up a conversation with just about anyone. Beverly had a gift for bringing people together. Connecting with her neighbors was important to Beverly. She loved to play Bunco and formed clubs in both of her neighborhoods. Beverly was an active member of St. Elizabeth Anne Seton Catholic Church where she participated in Catholic Daughters and Young at Heart. She was actively involved in her Hermann Sons Life lodge and over the years was honored with two humanitarian awards (2006 and 2017).

Beverly was thoughtful and generous with her time. She was an active volunteer at St. Vincent de Paul Food Pantry, Amedisys Hospice Care, Ronald McDonald House, Project Linus, Girl and Boy Scouts, Hermann Sons and others. Early in her career, she taught Home Economics at Sam Houston High School and later taught preschool at St. Francis Episcopal Church.

Beverly is preceded in death by her loving husband, David Paul Hutzler and her parents, Glenn R. Marple, and Louise Smith Marple.

She is survived by her four children, Melanie Hutzler, Cathy Hutzler, Laurie Taylor, (Chris), David Paul Hutzler, Jr.; grandchildren, Tyler Hutzler, Tekoa and Catori Taylor; sister, Claudia Frost, (David); brother, Glenn R. Marple, Jr. (Kathy).

Thank you to everyone who touched her life and brought her joy. We are saddened that a Celebration of Life service cannot be held at this time due to the COVID-19 pandemic restrictions. However, a viewing will be held on Wednesday, April 15 from 10 to noon at Mission Park Funeral Chapels North, 3401 Cherry Ridge Dr., San Antonio, Texas 78230. Appropriate social distancing measures will be in place, but we encourage all who can attend to please do so. Later, when the social distance requirements have been lifted, we will have a Celebration of Life as Beverly desired. In lieu of flowers, please consider making a donation in Beverly Hutzler's name to St. Vincent de Paul at St. Elizabeth Ann Seton Church.

“To love, and to be loved, is the greatest happiness.”

“ *Beverly was a tireless girl scout leader who took great pleasure in planning activities and holding meetings. As her co-leader, I was able to enjoy watching her work with the girls, plan camping activities, hiking and cooking. The most impressive badge the girls worked towards involved cutting out and sewing their own Girl Scout vest for their badges. She had so much courage!*

*She was a devoted mother and wife. We were so fortunate that she shared her valuable time with us.*

*Our deepest sympathies. Cindy and Bill Coppola*

“ *My most sincere sympathies to Beverly's family....it is so very sad to lose a parent and sibling. "Bert" was my BFF in high school and we shared so much as teenagers. Summer camps and even went to the same university. As we moved on Bert was the "home body" and I was the wanderer. We visited back and forth over the years and never lost contact. She was always my connection to "home". She was the constant force...raising her family, working with David and his garden while carrying on other jobs. I was always amazed at her tireless activity whether at home or helping others. She had her hands full with you kids and then the devastating news of David's cancer. Yet she pushed forward. Such a strong woman. I last visited Bert in December 2017 when we had the dubious thrill of being stranded near New Braunsfels in a rush hour snowstorm!! A memorable visit by all accounts. I am so thankful to have shared that time with her. I will always have such fond memories of her. She raised an amazing brood with each of her children becoming such wonderful caring and loving individuals. You have all done your mother proud. She cherished each of you so dearly. You all made her life whole. Special hugs to Claudia and Glenn as I know you will feel the loss as well. May you all find comfort in your many shared and happy memories.  
Love to you all. Barb Godwin*

“ Beverly was one of the most loving, caring people I have ever met. She never complained during her three year fight with cancer. She was part of our GNO (Girls' Night Out Group). I will truly miss her and will always remember what a wonderful friend she has been to me. My sincere Sympathy to her family. Beverly truly made a difference in this world--someone who was always there to help another with a smile and great love.

*I was so sad to learn that we have lost this wonderful, caring, smart, delightful and true friend. My heart goes out to Melanie, who I taught in my CCD class; Cathy, who was our waitress at Nachomammas; Paul, who was the baby brother. These are my special memories of these family members from the past. I never got to know Laurie that well, but I know that each sibling has much to be proud of. I hope that you embark on the journey of healing with strength, grace and an open heart. I send my love to all of you. ~Toni Murgo*
