

## Beverly Y. Williams

October 9, 1939 - April 7, 2016

### Williams

Beverly Penny Williams went home to our Lord on April 7, 2016. Beverly was born in San Antonio, Texas to parents Robert E. Lee and Margaret L. Lee, who preceded her in death.

Beverly worked in banking for thirty years before leaving to work for her friends at Mission City Container. She later worked for nine and a half years at Wal-Mart before leaving because of health problems. She always said she found her 'nitch' in life working in the fabric and crafts department – something she always loved to do.

Survivors include daughters Debra Smith and husband Devon, Donna Mendoza and husband Jose, and Melanie Williams; Grandchildren Stephanie Abell and husband Shaun; Aaron Gauna and wife Meagan; Joe Robert Gauna; Courtnie Gauna; and Naomi Abell and a very special aunt, Frances Wise. She also has three great grandchildren: Brody and Corben Gauna and Robert Martin Gauna.

Beverly wanted everyone to wear red for her love of Christmas. She thought people were more spiritual and happy during the Christmas season and it was a special time for her.

In lieu of flowers, although greatly appreciated, Beverly requested donations be made to
