“ *Billie was like a member of our family, as we shared our lives with her in Liberia. Our children called her "Aunt Billie", as she was like an aunt to them. She always had a sweet, positive spirit. We will miss her; but look forward to our meeting in Heaven, where many of our Mission family is already.*

“ *Billie was a good friend at Golden Gate Seminary. She ended up going to Liberia where I had served as a Journeyman. I had the privilege to visit Billie both in Liberia and San Antonio. I praise God for her life and friendship.*

“ *What a precious sweet lady. I did not work with Billie in Liberia, but met her at reunions. I visited her in San Antonio some after I moved to Boerne and took her homemade treats. I wish I had gone more often. Visits were always a great blessing. I was amazed at her tech knowledge for her age group!! She will be missed. Ginna*

Aww, so sorry to learn of Miss Scaggs passing. She was my 7th grade teacher at Lee O. Mathson school in San Jose, CA. in the late 1960's. She taught us "the golden rule" and I've tried to live my life like that and I'm 63 yrs. old now. Miss Scaggs was one of the kindest teacher's I ever had. She gave me confidence in myself and was always so proud of me when I was 'folder of the week'. Rest well Miss Scaggs till we meet again.
