“ *So very sorry to hear of my cousin Billy's passing. Although I haven't seen Billy in years I remember visiting with your family and his father, my uncle taking us into the woods behind his home to squirrel hunt. We had such a fun time. That was the last time I saw Billy. Prayers your way.*

“ I cannot express the sorrow I feel for loosing my Brother . I am still in shock and cant believe he is gone. His personality was larger then life , he loved life and lived it to the fullest . I am glad we got the chance to tell each other we loved each other . Billy had a hard beginning in life but he overcame it and was able to make a good living for himself. He is in Gods hands now , Rest in Peace Brother, Rest in Peace.

“ Billy came to visit on Christmas Day in 2014. Billy and Jeff will have their typical conversation. Never a dull moment but a times there is silence for a moment or two. Those precious moments will be truly missed. Your my #1 father-in-law. Wish I had the chance to tell you in person.

“ I have known Billy since I have known, dated, and married his youngest son Jeff. He was kind, funny, and always willing to led a hand building cabinetry and our carport. He had a big heart and cared about his friends and family. It really brighten my day seeing Billy and Jeff shooting the breeze talking about the things they have done together and places they visited. The language wasn't always pretty but it was hilarious. I will truly miss him and I know his son Jeff will feel a little empty without him.
