Born on November 12, 1947, in Lake Charles, Louisiana, Billy later made his home in San Antonio, Texas, where he built a life defined by deep faith, service to others, and love for his family.

“ Billy Ray was one of my favorite people. I enjoyed working with him and playing softball with him way back when. I remember when I was still working at Catto & Catto and we had just received our first fax machine and he asked me to help him fax a document to Lloyds of London. While it was transmitting, he looked at me and said, "you did save a copy of it, didn't you?" I had to laugh and he looked at me and started laughing. I loved that guy. Prayers are going up for him and his family and all of his friends. I know he will be missed.
