

Billy A. Padgett

October 10, 1939 - April 24, 2022

Billy A Padgett Sr, 82. Of San Antonio, Texas returned to his heavenly home on Sunday afternoon April 24th. Born in Kerrville, Texas on October 10, 1939, "Billy" grew up playing football and running the hills and valleys of the Texas Hill Country. He genuinely loved his outdoor lifestyle.

"Billy" met "Vicki" in college in San Antonio and they soon transferred to Sul Ross University in Alpine Texas to complete their Teaching Degrees and get married. After returning to San Antonio, he commenced his career teaching Science and Coaching, only to be interrupted by a season in the residential and commercial construction industry. He eventually returned to his original passion of teaching and coaching the leaders of tomorrow. By his retirement in 2006 he had coached just about every sport in middle and high school. He had taught and/or tutored Science, Biology and Math as well as Driver's Education. It was important to "Bill" to show his family the world we have around us and camping was one of the ways he did that. He loved to camp and during those trips he developed a

desire to capture nature at it's best in pictures. Although he had returned to teaching his lifelong love of carpentry never went away, tinkering with wood projects well into his retirement. Bill and Vicki are founding members of University United Methodist Church and began attendance when it was just that "little green farmhouse off De Zavala Road." They both worked to instill strong Christian principals into each of their children and grandchildren.

Bill is survived by his wife Victoria; his daughter Becky McEndree and husband Mark; his sons Billy Padgett Jr. and wife Shannon and John Paul Padgett and wife Leslie; his grandchildren Carey Bray and husband Sean, Allen Volz, Connor Padgett, and wife Shelby, Kade Padgett, Mason Padgett, Morgan Padgett; and his great grandchildren Lillian Stallcup-Padgett, Talon Bray and Ryker Bray. He is preceded in death by his parents, Carl and Mary.

“ I just learned of coach Padgett’s passing. I met him at Holmes high school. I was walking through the halls and he told me that I was going to play basketball. I told that I wasn’t but he explained to me that I was going to play. Coach was the sophomore team coach that year. I had never played basketball. Coach was tough but very fair. He and coach Taylor took the time to show me the game. I will never forget Coach Padgett. I am very sorry for your loss. He is coaching and educating in Heaven. Rest In Peace coach. You’ve earned your reward.

“ Mr. Padgett's sons are lifelong friends of my brother and I and I spent a lot of time in their home growing up. Mr. Padgett was a wonderful, wonderful man and I appreciate he and Mrs. Padgett opening their home to us boys. When I was 17 I was given a couple of puppies and took them to their house to show his son Billy. Mr. Padgett spent an hour rolling around in the grass with us playing with them. A good man and he raised a good family. I'll miss him.
