“ One of our get togethers with Billy always brings a smile to our faces. Sometimes we would meet up with Billy and some of the Watson family at The Clear Springs Restaurant on the road between New Braunfels and Seguin Billy Loved Onion Rings and if you love Onion Rings, you go to Clear Springs. We love to remember Billy as she watched the waitress approach our table with a plate piled high with huge sweet smelling very tasty Onion Rings.

“ My husband, Dan, and me loved Billy so very much. To us she was a strong godly woman, a powerful prayer warrior, a beautiful woman, and our precious friend. She always brought joy and laughter into a room and was a blessing to work with in the prayer ministry at Parkhills Baptist Church for many years. When she found out that she shared a September 11th birthday with Dan she immediately started calling him her twin. That is how they addressed each other for the years we served together. Billy sent Dan a birthday card every year and that always meant so much to him. We are so grateful to have had the privilege of knowing Billy. Our hearts are saddened with her passing, but at the same time we rejoice knowing that she is in the presence of Jesus and re-joined with those loved ones that went before her. She was truly a gift to us and to all who knew her. Debbie and Dan Shaleen
