“ Sweetest Blanca, even though I knew you for a short time, I learned of your great love for your family and those around you. I loved your sense of humor. You accepted me into your life like you knew me forever. I am so glad to have gotten to know you. Fly free my friend.

“ I'm not even sure where to begin. From junior year until now there have been so many memories. From taquitos to our band events to cascarones in Florida then moving to Texas and all the fun times we've had and family events. I've always felt part of the family especially when you called me "mija". You will always have a special place in my heart, my 2nd mom. Don't worry about the kids and grandkids, we'll be there for them.  
I love you so much,  
Natalia

“ I can't even think of where to begin with all the memories over the past 25 years. There's been so many and I treasure every one. The laughter and the tears we've shared are abundant. I will miss you terribly. Rest well my dear friend and sister. I love you, Chrissie
