“ As kids we loved coming over to Mrs. Killen's house. Our father built a gate between the fences to our yards so we can easily go back and forth and hang out with Carol and Lisa. I remember the playhouse in the back yard and the sleepovers. Your mother had the biggest smile and our mothers loved talking across the fence most days. May the angels welcome her with open arms in heaven. Hugs to you and your family. -- Annette.

“ Mom you were a beautiful person both inside and out. You taught us to love the Lord and love each other.

There is so much more that I want to say, but I just can't find the words. You are loved and your are greatly missed.

“ I have a lot of wonderful memories of Mrs. Killen and she was a very special lady. As a teenager, the youth group would go to the Killen's lakehouse. We always had so much fun, the fellowship, and being around Mr. & Mrs. Killen. They always made time for the children and teenagers. My thoughts and prayers are with the family.

“ Bobbie Carol was a Beautiful lady, always smiling...we have so many wonderful memories with her & church family at the Lakehouse, eating that wonderful peach cobbler she made. I can see her smiling now that she & George are together again.

“ *Bobbie Carol was the best cook. I remember all the Thanksgiving and Christmas get togethers when I was little. Bobbie Carol always had a smile on her face and was so kind and loving. Such a joy to be around. She loved her husband George and her girls so much they were her whole world and her grandkids were the icing on the cake. She was loved by all and will be missed.*
