“ *Bobbie was always such a positive person even when I had to call for a substitute early in the morning. It was a pleasure to have known and worked with her.*

“ I am deeply saddened to hear of Bobbie’s passing. We worked together at Garner Middle School and stayed in touch long after she retired. My heart breaks for her family who I know she loved very much. Rest In Peace my friend. 🙏  
Denise & Donna, please know that I am not able to attend the services because I am recovering from back surgery. 😞 I will be there in spirit. Prayers for all.

“ Mother, I will miss you. Thank you for being a great mother and teaching me so many things. I have so many memories of when I was growing up and the things we used to share when I became an adult. We will take care of things here for you. You don’t need to worry. I love you.

“ I am very sorry for your loss. I worked with Bobby at Garner Middle School for 6 years. She was a charm. Always dressed to amaze us all. She was a good friend and wonderful co-worker. She always talked about her grandchildren and of course my Dear Friend Denise. Many prayers for healing for your family. Kelly Harper
