Bobbie would say to us: “There are three things I want to see before I die; a woman in the White House, Bigfoot and a UFO.” We are sorry she wasn’t here long enough to see any of them.

“ *We can say so many things about her and talk about all of her wonderful attributes. The one that keep coming up for me today is her strength. There is "strong" and then there is "Bobbie strong". May our family always strive to be "Bobbie strong." You are forever etched in my heart and mind!*

“ *Bobbie Parker is my sister and has been an inspiration to me all my life. She will continue to inspire her siblings, children and grandchildren for many years to come. She is the essence of “Amazing Grace.”* ”

Amazing grace, how sweet the sound that saved a wretch like me. I once was lost, but now I'm found. It was grace that brought us safe thus far, and grace will lead us home.

Rest in peace, my beloved sister.
