

Bobby Eugene Faucett II

April 29, 1955 - March 2, 2024

Bobby Eugene Faucett II, 68, peacefully entered the arms of our Lord on March 2, 2024. He was born April 29, 1955, in Noblesville, Indiana to his parents Bobby Eugene and Doris Jean.

Bobby worked most of his life in the service industry. He began working with Kenley's Grocery in Noblesville, Indiana and later began his tenure with Pizza Hut. Initially tossing pizza dough and learning the business side, he progressed to store manager and eventually to Regional Manager over several Indiana Pizza Hut locations. Bobby always took time to visit with his customers and if it was a friend or family member, often treated a free pizza. At some point, Bobby desired a change from the food service industry and transitioned to managing a 7-11 store in Indianapolis, Indiana. Before long, he again had risen to Regional Manager and was responsible for several stores throughout his demographic area. While Bobby still enjoyed the service industry, he felt a desire for a career change, so he accepted an intern position in Wastewater Treatment with the City of Tucson, Arizona. As he received the myriad of required federal, state, and city certifications, he excelled in the wastewater treatment profession and within a few years was managing a Wastewater Treatment Facility and eventually became manager over all the Wastewater Treatment Facilities within the City of Tucson.

While Bobby enjoyed his years within the service industry, his true joy was

watching his two daughters develop their respective successful careers, while simultaneously establishing strong families of their own. Although separated by many miles, he especially loved having pictures to share in the enjoyment of his grandchildren's activities and growth into young adults. Apart from family, his favorite past time was to go fishing. He really enjoyed being by the lake or a pond and casting his line to "catch that big one"!

A beloved brother, father, grandfather, and friend, the passing of Bobby is felt deeply by those who were blessed enough to have him in their life. He is survived by his daughters; Loretta Dodd and Becky Hall, his grandchildren; Kyle Oliver, Brandon Oliver, Ashley Oliver, and Mark Hall, his siblings; Kevin Faucett, Marion "Butch" Swinford, Johnny Swinford, Jaris Swinford, Jimmy Swinford, Kenny Swinford, Rick Faucett, Cheryl Murray Holden Dautrich, Brian Faucett, Robbie Faucett, and Kimberly Emmons; and numerous nieces, nephews, and other members of the family. He is preceded in death by his parents; Bobby Eugene Faucett, and Doris Jean Swinford, and his sister; Debbie Fakhreddine.

Visitation will be held on Saturday, March 16 from 11:00 am to 1:00 pm at Mission Park South with funeral services to follow. Interment will be held at Mission Burial Park South.

“ My wife is Bobby’s daughter, Loretta. I got to meet Bobby via facetime. He enjoyed our time by phone. I certainly enjoyed meeting him and spending that time together. He always took interest in getting to know us. I wish we lived closer to one another. I am sorry he is no longer with us but glad to know he is no longer suffering. We will see you in heaven Bobby.
