“ *Aunt Bonnie was really special and fun. She taught me the following song that had hand movements with it. I am a funny little Dutch girl as funny as funny can be and all the boys around the block were always chasing me. My name is Anabella I come from the land of yella. Ect.. She and Uncle Clarence could always make Big Red Floats A girl from Sioux City, Iowa only had those in San Antonio! Trips to the zoo and the museum were great fun and Aunt Kathleen always came too. Best aunts ever!  
You will be missed but the memories will last a life time.*

*Love you,  
Little Mary*

“ Aunt Bonnie was a great aunt, and always fun to be around. She was very kind and thoughtful to my Mother, who was 17 years older than Bonnie. My Mother at times could be a little bossy to her younger sister, but Aunt Bonnie would just say " Oh Kathleen ", and not let it bother her.

*My early memory of Aunt Bonnie was when I was six or seven and I would stay with her when she lived on Ada Street. She would give me my favorite snack, corn tortillas with butter, until one day I choked on one. No more corn tortillas for me. It must have scared her because even after I was grown she would tell about the time I choked on the tortilla.*

“ So sad to hear of Bonnie's passing but no doubt she felt the need to soon follow Clarence to be with him again. Bonnie and Clarence were next door neighbors to my parents and I from the mid-60s to the early-70s. We were able to stay in touch all these many years via Christmas Cards and very rare phone calls. Bonnie was once of the sweetest people that I have ever known and I have fond memories of both her and Clarence that will stay with me forever. “ *Aunt Bonnie is one of a kind! Her smile and laugh would light up the room. I will always remember Aunt Bonnie's Southern hospitality. You did not leave her house hungry. Aunt Bonnie made some of the best pies I've ever eaten! My fondest and most heartfelt memory of Aunt Bonnie and Uncle Clarence is how much support and comfort they provided my sister and I when Mom and Dad were in the hospital during their last days fighting cancer. Aunt Bonnie and Uncle Clarence fed us dinner and provided a comfortable place to rest in their home many times during those rough weeks at the hospital. May God's peace and comfort bless the family during this difficult time of loss.*
