“ I'll never forget how much fun I had going to the store with my dad when I was little. He would say, let's go to Elmendorf! And I was ready. Aunt Bonnie always let me take whatever I wanted from the store. (Of course my dad would limit me), but going and getting a soda and chips and hanging out with Aunt Bonnie was so much fun!! She was always smiling as she watched my excitement. I will hold on to that memory.  
Love you all and you are in my continued prayers.
