“ Vondell, Pam and Emily, I hope you know that I am just a phone call away if you need someone to talk to. The older I get the more respect I have for Aunt Bonnie. She showed me how to be an independent, strong, christian woman that loved herself and others

“ Aunt Bonnie, you taught me the meaning of being a Christian and gave me the example of what a Mother should be to her children, for that I am grateful. My mind goes back to the big black rocker and the big story book with your arms so lovingly around me.
