“ Dear Brad Hall’s Family,

I am deeply saddened to hear about the passing of this remarkable man. I have had the pleasure of knowing Dr. Brad Hall personally and his lovely wife.

Dr. Brad Hall was a man of high energy and a bright personality who always put others before himself. I have no doubt that his warmth and thoughtfulness touched the hearts of many. We would see Dr. Brad Hall and his wife, Madonna, at the county club and how much fun they had. The love and admiration they shared together is truly inspiring.

To Brad’s family, friends, and community, I extend my deepest condolences for your loss. You will forever hold a special place in Brad’s heart, and I hope the memories of his kind spirit will provide comfort during this difficult time.

May Brad rest in peace and his legacy of kindness and generosity live on.

*Sincerely,
Cynthia Lambert & Son Philip Rountree*

“ Dear Carol, Clint and Kathryn - I'm so terribly sorry for your loss. I have so many fond memories of your Dad, from way back in the preschool days, through playing at the house near the Hunters Creek pool, to hanging out in your fancy pool and at the lake house. I really took advantage of you guys. ;) Brad's was always a smiling face, a welcoming friendly dad, and your home was always a happy place for me.

Please know that you are all in Jill's and my thoughts, and Clint, someday soon I plan to buy you and Elaine some BBQ. Preferably Texas-style.

With love and condolences,

Ryan Cunningham
