“ Robert and I are so very sorry and heartbroken for your loss. My Tia Lala was sweet and caring. I was always in awe as a young girl at how reserved she was and I wanted to be like her. I especially loved to hear the slight giggle she would have for our Uncle Pepe when he embarrassed her with a loving remark. I remember that she had a small teddy bear put to sleep with him as we wished him God's speed. She loved him so much and I just know that they are hugging and he is holding her tight in God's heaven.

I am so sorry that we are unable to attend the funeral as we are so very sick. I only hope this bad cough/cold is the only one we get this winter.

we love you and know you will find comfort with each other and knowing that you will see your parents again....

“ John 14:2-3

2 In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.

3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

Lala, you will be dearly missed.

*I'm sure Big Joe was waiting for you with open arms. May you RIP!
