Brenda loved spending time at the family ranch in San Angelo, surrounded by family and friends and going on family vacations. Brenda had a successful career as a Nurse for 28 years. The family has remained close to the area over the years, which allowed her to be Me Maw to her grandkids. She enjoyed girls' day and salon with her daughter and granddaughters. In the summers you could often find her relaxing by the pool, soaking up the sun.

Sister Sheree (Alana), Brother Skyler (Brandie) and her grandchildren, Emma Brown, Aiden Contreras, Jack Schlein, Shelby Schlein, Khloe Anselmo, Wyatt Quinney, Oren Quinney, Kinsley Quinney and Amaya Quinney. “ Brenda, we were friends for many years. You were a great nurse, and I'll always remember the times we had on 2North. Your patients loved you, you were so nice to them. I'm so sorry to hear that you have left us. Rest in Peace, my friend. Elaine

“ Brenda you were a friend for years. We went through a lot together. The good, the bad and the ugly. We saw our kids grow into adults and become parents. We laughed and cried, we saved lives and held the hands of those we couldn't. May you be lifted up by the angels, no more pain or sorrow.

“ Quinney children, sorry to hear of the loss of both parents, especially so close together. I worked with your dad at a Heavy Equipment rental place in the late 80s and knew you mom as well. He left there when they were both entering nursing school. Clearly i knew your dad better than your mom but i offer my condolences for both of your loved ones.
