“ *My heart breaks for Jeannie's family, Edward, Justin and Danika. I know there are many others hurting as well but I'm particularly thinking of Edward.*

Edward, you have lost the love of your life, your best friend, your true soul mate, your life long partner and the help meet and woman God gave you. Theresa is right; you have lost loved ones in the past but nothing compares to this. Oh my cousin, I pray for you to find comfort and strength each day as Lord Jesus wipes your tears and sits quietly with you. You are surely loved by many and many will be there for you. So very sorry Jeannie is gone Edward.

*Sincerely,
Belinda Rowden Preece*

“ *We met Jeannie when we moved to Trainer Hale Rd in Schertz in 2006. This began a long friendship. We had some absolutely fun times together. We had a lot of laughs and made a whole lot of memories we will never forget. We love Jeanie and will miss her deeply. May the Lord bless her soul, and bless the family.*

Mike, Cindy, & Megan as well as all our family who knew her.

“ Jeannie was a best friend to everyone. Every life she touched. She always welcomed you with her beautiful smile, her fun-loving contagious laugh and a warm hug. I will always cherish the fond memories of all the fish fry's and Jeannies favorite pasta salad we had, the birthday parties, and all the other countless times and memories we shared. Ed, Justin and Danica, the deep pain, sorrow and hurt I'm feeling is nothing compared to what you are going through. I pray that as God has his arms wrapped around you, his love, strength, peace and courage will carry you as you are going through this most difficult time. With much love, Leslie Powers

“ I’ve been staring at this blank screen for a long time. There are no words that will comfort or take pain away.

Jeannie truly was like a sister to me. I will never forget the selfless, kind things she's done for me over the years. I have known her since we were in the 4th grade, almost 50 years. Who knew that she would grow up to marry my brother and be the mother of my niece and nephew. I'll always love her and miss her. I'll miss her laugh. It was absolutely contagious, especially when she was really tickled! You could not help but laugh when she laughed. A big hug and an "I love you" were always part of her warm welcomes and fond farewells. I'll definitely miss those.

My heart breaks for you Edward, Justin and Danica, as well as the rest of her survivors. I love you all so much. All of you will be in my prayers indefinitely!
