

## Brenda Joyce Rutledge-Schuh

September 11, 1958 - June 25, 2018

Brenda Joyce Rutledge Schuh born September 11, 1958 traded in her Superwoman cape for Angel Wings on June 25, 2018 surrounded by family and friends. Brenda is preceded in death by both of her parents Tillman Joe and Joyce Ann Rutledge and her Brother Tillman Joe Rutledge Jr. (Rocky). Brenda is survived by her HOL (husband) Ronald C. Schuh and their daughters Tracie J. Schuh, wife Samantha, Kelly H. Siegler, husband Neal and Lisa D. Schuh. And 7 Grandchildren, Isaiah, Hailey, Allison, Anabelle, Madelyn, Spencer and Amari. And so many family members and friends. Brenda was our Superwoman and she will be greatly missed by all who knew her.

Brenda dedicated many years of service to the Helotes 4H club serving as a Club Manager and Manager of the Clover Kids Club. She was a member of the Helotes 4H booster club and served as Club Secretary for 4 years and received the 4H Salute to Excellence award from Texas A&M. Brenda served as a Director and Secretary for the Bexar County Junior Livestock Show and was named Director Emeritus in 2017. Brenda also gave some of her time to the Helotes Cornyval Festival Committee for many years. Brenda has been a Life Member of the San Antonio Stock Show and Rodeo since 2005 serving on the Rodeo Hospitably Committee. While dedicating time to the kids in 4H and FFA she still found time to volunteer for the American Vets and the American Kidney Foundation. She worked for USAA for 28 years.

Brenda never met a stranger, she would light up a room when she walked into

it and as her friends would say “she was the life of the party.” She gave everything she could and expected nothing in return. She left one piece of advice for everyone, “No matter what life gives you, just keep smiling!” Donations can be made in Brenda’s name to the Polycystic Kidney Foundation and the Cancer Therapy and Research Foundation. There is a scholarship fund set up in Brenda’s name for Helotes 4H, please contact Michelle Balero ((210)461-2504).

“ My mother was more than just my mom to me she was my rock my best friend my role model and my hero but most of all she was and still is what keeps me going in my life. My mom was wonderful powerful she was smart n funny had a laugh and smile that could just light up the room and make your day no matter what. I love you so much mommy and can't wait to b with you again until then I have got the best guardian angel ever.

“ *From the moment my son Neal met Kelly Brenda and her family welcomed us into their lives. We became part of their family. She was always ready to party, play games, go to the coast and just enjoy life. I will miss her smile, her love of life and her love for her friends and family. She was one classy lady.*

“ *I met Brenda when I started working at USAA back in 89'. She instantly took me under her wing and became a good friend. She was the light of the party! Her laughter and smile were very contagious. I will cherish how helpful and caring Brenda was to Krysten and I. We shared time together on the rodeo Hospitality Committee and at different ag events. Your family is in our thoughts and prayers. She will be greatly missed.*

*Brenda was the yellow rose of Texas. She will be so missed; so full of life, giving, positive, and love. Our sympathy and love to Ronnie, the girls, grandchildren, and all her family and friends. We are traveling this summer, currently in North Dakota. If possible, please share the video you play at her memorial service. Would love to see your memories. Our love, the Lieck cousins, Cheryl, Debra, Carolyn and Gerry and families.*

“ I met Brenda 7 yrs ago on the BCJL board . She changed my life with her larger than life drive and the way she always gave back. It's been three years since my last child left the ffa and 4-h programs but I still there everyday giving back just like she taught me. She told me once Jennifer many people don't understand it's not about what you can get for your kids or yourself,it's a bigger picture I see everyday the change in kids coming out of these programs and if I had some part of that my heart if full. I have never forgot that.
