Brian graduated from John Marshall High School in 1977. He continued his education at Howard Payne University before earning his degree from the University of Texas at San Antonio (UTSA) in 1985. From a young age, Brian knew he wanted to be a football coach, a passion he pursued with unwavering dedication throughout his career.

He began his coaching journey at Pat Neff Middle School after gaining initial experience volunteering at Sul Ross Middle School. In August 1999, Brian found his calling as the Athletic Coordinator at John Connally Middle School. There he coached football, basketball, track, and also taught History classes. Brian's commitment to education and athletics spanned over 35 years, culminating in his retirement from the Northside Independent School District in June 2019. After his retirement, he continued to pursue his love of athletics by assisting the football games and track meets at Dub Farris Athletic Complex and Gus Stadium in NISD.

On March 10, 1990, Brian married the love of his life, Phyllis Orrick. They shared 34 wonderful years together, marked by love, partnership, and mutual support.. Brian cherished sharing time with his family, holding the dear moments with his wife and daughter close.

Beyond his professional life, Brian had a love for golf, hunting, and fishing, often spending time enjoying these activities with his close friends. He also served as a Deacon at First Baptist Church for several years, exemplifying his deep faith and dedication to his community.

Brian was preceded in death by his parents, Mary and Charles Allbritton. He is survived by his loving wife, Phyllis, his beloved daughter, Katelyn, and his future son-in-law, Ian Niebla. His presence, guidance, and love will be profoundly missed by all who knew him.

A memorial service will be held to honor Brian's life and legacy. In lieu of flowers, memorial donations can be made to Frontline Heros Outdoors, or a charity of your choice.

Brian was a proud American, a devoted Texan, and above all else a man of God. He will always be remembered for his devotion to his family, passion for coaching, and his unwavering commitment to his faith and community. May he rest in peace.

“ I had the pleasure of knowing Coach Allbritton when I attended Connally Middle School in 2006. I am 32 now and I still talk about how great of a coach he was. We all loved him. It's sad to know he is gone.

“ What a beautiful soul who is the epitome of a God loving God fearing, loyal husband, daddy and friend. A true man of God. He made such a beautiful impact and difference in so many lives... his legacy will live on through everyone he impacted. It's so beautiful to see how he was loved, appreciated and respected. He will surely be missed although, he will always be that positive and inspiring voice in the heart and soul of everyone he touched. God bless the Allbritton family and everyone who loved him.

“ I had the pleasure of working with Coach Allbritton for 8 years at Connally. He was never short on conversation and always had a way of cracking us up with his commentary on all things teaching Jr High entailed. He would approach with that twinkle in his eye and little half smile and we knew he had something good to share. That smirk and twinkle paled in comparison to how he simple beamed at the mention of his family. You only had to know Coach for 5 minutes to know his family was the light of his life. My heart aches for you all. Praying for comfort in this devastating season

“ *Phyllis & Katelyn: My heart is broken, as I know are both of yours. I called Brian about two weeks ago and asked if he would help me move the office furniture of a non-profit for which I volunteer. He came over and we jumped in the truck and moved the furniture. Always willing to help, always there when he was needed. Always an outstanding friend and brother in Christ. Gonna miss him! Love you both.*
