

Brigitte Gamble

October 4, 1951 - July 21, 2020

Brigitte Senger Gamble, 68, passed away on July 21, 2020 with her daughters by her side. She was born and raised in Trier, Germany. Her heart for adventure carried her to many different places. Eventually, she landed in the United States in 1981 where she raised her four daughters. Her legacy lives on through each of her daughters and grandchildren.

Our mom had a beautiful spirit to live life to its fullest. Her adventures led to great storytelling. Her strength, curiosity and tenacity made her radiant even until her last moment on earth. Her favorite place was the ocean and many of our fondest memories are by the seashore. She devoted everything to us, and though we miss her greatly, we find great waves of comfort knowing that she is no longer a sojourner but home with Christ. Prost, Mutti! We know you made it home and are smiling down on us. We love you all the way around the world and back again.

We are so grateful having fund this obituary. When we first got to know that Brigitte had passed our hearts were filled with endless sadness. Known her she would have wanted us to only think of the wonderfull time we had with her:-) She helped me raise my two daughters in their first years. The moment she entered our house the sun was shining. The girls loved her, we all loved her. When life got difficult she showed us a way. Dear Brigitte we miss you dearly we are so grateful that you have been a part of our life our family. Our deepest sympathy to you four girls.
