“*Lucy would occasionally spent the night with us, with her son & daughter in law (John & Melina) while visiting other relatives in Alabama. She loved her family & we felt honored to have her accept us as part of it. We've missed those visits recently because of her declining health. She was a sweet & loving person.

“*I was Lucy's caregiver at one time. My name is Noel Mesa.*

Lucy got so excited when I came to help!! I was her ticket to the outside world as she didn't drive anymore. She loved to go to Castle Hills church and visit with the ladies as they played cards. She couldn't believe they played cards in church as was not the custom in the "good lod days". She also liked to go to play Bingo; go to the dollar store; eat BLT's at Denny's (half of which went home for her beloved dogs); go to Casa Helotes or Jefferson Outreach senior lunches; go have donuts and coffee. One time she got to sit in Santa's lap to receive a \$25 gift card to HEB which I don't know if she ever spent!. She also remembered to carry extra money in case she had an emergency. I think her Mother taught her that lesson.

She was always sweet to me and had this beautiful smile on her face. I loved LUCY!!!

BYRDIE LOU WELLES

I was born in Clanton, Alabama, August 18, 1928. At the present time I reside in Mableton, Alabama. My eyes are blue, hair blond and a nose that likes to get involved. I am about five feet, two inches tall and weigh one hundred and eight pounds.

Since I have lived in Mableton station at various times, I have received all of my schooling here. I attended Mableton Elementary School six years and Mableton High School six years.

My favorite activities are swimming, fishing, dancing, sewing, boat riding and reading. The only one that makes sports more than I, but if you want to see me on my feet, just give me a good back and a ride along.
