DS

Calvin was a very important part of my teenage years.

He taught me how to do some maintenance on my cars and he loved working on his cars esp. his "Ford Maverick", hood ornament and all.

I remember how much he loved watching Wrestling after his shift including "Jose Lothario" and "Ivan Putsky" which if I recall correctly was one of "Brenda's" elementary teachers at one point.

I remember his nickname as a "Beat Cop" was "Smiley" which was funny since it wasn't often I saw Calvin smile which was of course part of why the nickname was assigned, lol.

I even recall seeing Calvin downtown and talking to him when he was still active on the beat, I think "Houston" and "St. Mary's". He was a very good man doing a very tough job and I will always remember him assisting me during a very difficult time in my teenage years.

He loved his Family immensely and doted on his two Daughters.

Rest in Peace Mr. Klaerner!
