“ Grace and Randy-
My heart aches for your family. I just heard of your terrible loss.
Always seeing you in the field over the years and sharing pictures of
Camryn and stories when our girls played YMCA soccer at age 5
made me smile. Praying for you and your family to find peace.

“ I was lucky enough to teach with Camryn. She was a beautiful person and an awesome teacher and friend. She loved Ella before she was even born and she was so excited to bring that baby into the world. Camryn was a gift taken from us all too soon. She will live in our hearts and in sweet Ella. Wishing all who knew this special woman peace, comfort, love and light.-Ms.Debbie

“ Camryn was loved by our 4 year old Karsyn. Although we never got to meet in person with COVID and protocols with Goddard where she taught, our daughter Karsyn always came home with a smile on her face. We knew Karsyn was in great hands with “Mrs. Camryn”. Our condolences and prayers to the family.

“ *Being the new kid at school wasn't easy. Especially going from private to public, but Camryn made that easy for me. She was there for me to show me around the school & was one of the first friends I made at Lee. We had classes together and everyday we would talk and laugh, just her laughter and her energy she brought would make the classroom great on any day. She gave me free tickets to concerts and always checked up on me when I was down. She was the type to make you feel better without even trying because just being around her rubbed her energy off on you. My dearest condolences to her parents and her lil family she made, made the Lord look over her whole family in this time*

“ *Where do I even begin... Camryn and I spent our childhood together. From being partners in school, to always having matching bows. To going on vacations together such as trips to the American Girl Doll store where we would spend hours picking out different dolls and outfits for them and doing their hair. The most fun was either all of our Barbie play dates/ sleepovers or going to get sonic before and after hours of soccer. We burned all those calories to eat sonic before and after. Camryn was truly one of a kind. She had the most contagious laugh. No matter what it would make your laugh and smile. I can still hear it in my head. I will never forget all of our memories and I am so thankful she was in my life. If you were lucky to know or have Camryn in your life, then you know how truly amazing she was and that will carry on through her gorgeous daughter Ella.*
