“Dad, I have so many fond memories of you over the years! You always strived to do better for the family. You were a hard working father that was a good provider to his family. You were always determined to finish the projects you started. Your determination led you to many accomplishments! I will never forget you as you will always be in my heart. You are in a better place now free of your liver cancer and spinal stenosis. You are at peace with the Lord and angels above! May God Always Bless You! Love, your daughter Esther.

“ My sincere condolences to Mrs.Colunga. Jeff , Esther, Jennifer, and Candelario III. Your father was special and one of a kind. I have been blessed to be apart of the Colunga family and I cherish that dearly. My children and I have made so many memories along the way with Mr.Colunga. I will miss walking into the front room seeing him sitting there with his snacks on the table watching western movies. All miss him asking my son Mijo can you see if you can find the Texas game it starts at 2. What I'll miss the most is the unconditional love he showed me and to all his grandkids. Mr.Colunga taught me so much. I learned that hard work pays off and with consistency comes perfection. My favorite saying he always said was. FAMILY comes first and work comes second. Always make time for family. He told me that countless times and I will always take that with me. Bevo is a hard worker and has an amazing work ethic because of his father. He raised a strong caring family man. For that I'm grateful to you Mr.Colunga. Bevo and I hope to instill that in our son and daughter just like you did. My son will carry on your name proudly. May you Rest In Peace in heaven . Always in my heart and With all my love Valerie.

“ So many of my memories of childhood involve my Uncle Candy. He was always ready to pull me up into a hug with a kiss and swing me in the air. My memories of him include his laughter and an ever-present smile.

The last time I saw him was when I brought my father, Rogelio to see him. It turned out to be our last visit. My dad and uncle spent their time in memories and renewing their brotherly love for each other.

I will miss you, Uncle Candy. I will continue to cherish the memories of the larger than life you brought to my life.

I pray you share the joy in being with my mom in the presence of our Lord with my mom. I do pray that you share an eternity of laughter and love.

My Uncle Cande had a "Larger than Life" personality. I was so lucky to have an uncle who always had a good story to tell, a laugh, and could cook a great BBQ. Cande taught me to love sports and would make it to my games as I grew up. I will miss him, but he has joined his mother Esther, father Candelario, his sister Ofelia (Gonzales), my father, Cheto, his sister Loretta (Garcia), and his brother Mencho, plus His oldest brother's wife Elsa. As I told my mother, "Can you imagine "La Rizada" going on in Heaven with Cande and Elsa holding the floor. Until we meet again! Lots of love to all of our family.
