“ *Our condolences for your families for the loss of a wonderful lady. We knew Candee and the Morales family growing up in Natalia. Our parents brought us up very close to hers. It's been many years since we saw her but have no doubt from reading your memories of her she was a very special and very loving lady. Rest In Peace Candee and May God bless your families.

“ *Distance kept us apart but love is what kept us together. Even though I did not visit my later years of life, my childhood memories are so vivid. Tia, you will be dearly missed by all. You have touched so many lives and you will always be remembered and loved.*

“ *Although I only met her in person once, Virginia's Mama Candee made quite the impression on me through her amazing daughter! To have raised such a kind, hard working, caring daughter tells the world what a remarkable woman she was. And, since I don't eat meat, she would even make special bean tamales for me at Christmas time! Jesus has another angel with him to watch over us and we have another star in the sky to look up and smile at.*

*R.I.P. Candee 💔😭. We spent many weekends together throughout the years. I enjoyed it, helping feed Tia, sitting & accompany Tio, watching tv with him made my heart happy. ❤️ Afterward just talking of us growing up; PRICELESS to me. I love you my sister/ Cousin 🙏. Blessings to all my relatives gone. 😊*

*'Mama Tazz' treated all of us like family, hosting large dinners and feeding many officers. She was always excited to see us. We will all miss her-*

“ *My Tia had the biggest heart in the world. I will always admire and love her for the unconditional care and support she gave to our dear abuelita and abuelito. She was an awesome big sister to my mom and my dad and always had a smile and huge hug for us when we needed it. Thank you Tia for being the rock of our family. You left us too soon but our fond memories will help relieve our heartbreak.*

“ *My mother was amazing mother to me and to my brother Juan. She was not just a mother. She was our best friend. She knows how to talk with us and help us in so many ways. She loves all our friends and welcome them with open heart with amazing food to share. I'm forever grateful to have her to be my loving and caring mother. She was a loving grandmother to my children and to my brother's children and now new great grandchildren. Mama, I want to say I love you and I thank your for being my side near and far. I am very very fortunate to have you! You have the heart of gold. We were looking forward to move closer to you this summer. You were taken from me and families too soon. I will miss talking with you on FaceTime terribly. It won't be the same mama. Please come and visit me in my dream. It's so hard for me to let you go this soon. You will be in my heart forever!*

*Your daughter,

“ Tia Candy, you always laughed at my dumb comments and jokes. You always had a GIANT hug for me whenever you saw me. You opened your door for me and cared for me during some pivotal days in my life. Thank you for being a part of my life and thank you for telling on me that one time (wink). I will think of you often. I love you.

“ Candee worked so hard all her life and was always there to offer a helping hand. She said Juan asked her to host a Christmas Eve dinner for his fellow officers who had to work and she continued that tradition for over 20 years. The last couple of years were difficult for her but she still did it to honor him and she loved doing it. She was a part of my life for over 50 years and was my sister.. i love you and will miss you terribly.

“ My beautiful sister was more than a big to me. She was like a little mother . When we were kids she took care of me while our parents worked the fields to make a living. She was also my best friend. I for ever will love and miss you.
