“ *There are no words that I can say that will take the pain away, but I hope they can console you just a bit. We lost a great person and that loss has impacted everyone he knew. It was just yesterday that he told me "Mija I'm ready for our next trip, we need to plan it."*

Candy was always a good listener and always gave me his wisdom without filter. He always spoke his mind. He will always be a part of us.

Love you mom, and I will always be here.
