“ *2 years are coming up since the day we said goodbye to you!! This has honestly been the hardest years of my life. I still can't believe you're gone!! I'm so sorry I haven't been to visit you but I'm sure you'll understand that I'm busy with school, trying to graduate, and go to college. I hope you're proud of me for the plans that I want to accomplish these next few years. Hopefully, you'll be there in spirit when I walk across the stage on my graduation day!!!! I love and miss you so much!!!!*

“ *I can't believe that this happened. I miss you so much. I just don't know what to think now that your gone. I always want you to know that I love you and I miss you with all my heart. I'll be praying for you everyday but I know that you are happier, and in no pain up in heaven with God. It will be hard for us to get used to you not being here on earth with us anymore. We love you so much and we miss you so much. RIP my military sergeant, you will always be remembered, but you will never be forgotten. It will be hard to get used to you not being here on earth anymore. I know that you are happy with your parents, aunts, uncles, brother, Uncle Steven, and Angela. I know this isn't a permanent goodbye, but a see you soon. I will see you when I get up there my USAF military sergeant, but it will be hard for a while, but I will get used to it. I love you so much my angel. RIP Grandpa Carl.*

*Love,
Brittany*
