“ 16 years and I miss you more than ever.
The memory I think about most is,
When I was 13 years old. I would wake up every morning at 5 am,
to your alarm playing “Red Dirt Road” by Brookes and Dunn. It was
so peaceful. I felt so relaxed because you are home, I knew I was
safe. I love you and miss you.

*Rest In Peace,
Your 32 year old daughter*
