“ *Carla was a genuine, warm, caring woman. The first time I met her she seemed like a friend and not a new acquaintance. There was something about her that made you feel like you were special to her. She was always smiling every time I saw her and I always looked forward to seeing her. I wish that I had been able to spend more time getting to know her. She is dearly missed.*

Carla was indeed a beautiful person. We worked together at Brooke Army Medical Center. Always happy and boy did she love John. Carla was pregnant with Travis at the same time that I was expecting my first grandchild. We were always going to lunch but somehow never made it. We shared birthdays at work, hers the 17th of September and mine the 18th. We shared Christmas cards every year that I knew her, I always looked forward to her family photo Christmas card. Carla I am already missing you!.....Barbara

I did not know Carla or her son Travis. My wife and I were behind the Kilians the day of the accident. Words will never be able to express how this has effected our lives. Our hearts and prayers are with Mr. Kilian and his surviving son. I hope that god gives him wisdom and guidance in the midst of this horrible tragedy!

Two of the most beautiful and caring souls that touched my life many years ago. I pray their family finds some comfort in time knowing their lives were so special to so many people. Their spirit will live on in the many hearts they touched so tenderly.
