Chale and I go way back to the early 1960's when I , Tony Hodges, and Ricky were in a band called Ricky and the Sunrays...we had a manager named Gilbert who had a station wagon where we loaded it with all out musical equipment and played gigs in town and out of town..these were my most memorable fun days with Chale and the guys..

I'm wondering if this is the Carlos De Leon who taught music at Cooper Middle School in the westside of San Antonio in the late 1970's. Feel free to reach out to me: Juvenal Cervantes, 970.396.3676, juvenalcervantes@gmail.com. Fond memories of this beloved teacher.
