

## Carlos M. Iruegas

September 12, 1960 - January 6, 2021

Carlos M. Iruegas was born to Miguel & Guadalupe Iruegas on September 12, 1960 and was called to be with our Lord on January 6, 2021 at the age of 60. Carlos is survived by his wife Christine R. Iruegas; son Steven Rodriguez; daughters Brianna Sierra and Victoria Iruegas; grandson Embry Rodriguez; mother Guadalupe Iruegas; brother Oscar Iruegas; sisters Carol Young and Gloria Mackay; uncle Valente U. Yruegas and numerous other loving family members.

Carlos was preceded in death by his father Miguel Iruegas and niece LeiaRae Fischer.

A lifelong San Antonian, Carlos graduated from Lee High School, at which he was later well known, greatly respected and much appreciated for his volunteer services with the Lee band for many years. He was a member of Blessed Sacrament Church, where he held the position of coach for the CYO basketball and volleyball teams during his daughters' elementary years. Carlos was also a familiar face at many Spina Bifida Texas events and SA Time Dollar activities. He was an avid foosball player, participating in tournaments or enjoying regular Friday night matches with his buddies. He loved deep sea fishing and would take his family to vacation on the coast every chance he got. Carlos also enjoyed a full career in the communications technology industry, forming countless partnerships and friendships in the

process. But his deepest passion was his wife Christine, and his greatest joys were his children Steven, Brianna and Victoria.

Due to COVID-19 restrictions, a private funeral service will be live-streamed on the <https://www.missionparks.com/> website on Friday, January 15, 2021 at 10:00AM, followed by public interment at 10:30AM at Mission Park South, 1700 S.E. Military Dr. #255, San Antonio, TX 78214 at which all family and friends are welcome to attend.

The family is grateful for the many prayers and words of kindness received from the countless lives Carlos has touched. The family respectfully asks, in lieu of flowers, please send your gifts to <https://www.gofundme.com/f/iruegas-family>

*20 plus years ago, Carlos and I started our adventure (friendship) together. During that time. We were loyal to one another, we helped many needing help, we laughed, sometimes cried, and we worked hard. He loved his family dearly and would talk about them all the time. The Coast, Fooseball, and Concerts were something I always looked forward to hearing about when we got together. My goodness, he was a hard worker, and a great leader. Many of the projects we worked together for the DoD were incredible. He did a lot in Service to our Government. There will never be another person like Carlos. He was loyal--very trust worthy. Me, my family, and many-many others that didn't really know him will miss him very much. Carlos, my friend, I will miss you.*

*I met Carlos at North Port Rollercade in 1976 when he worked there as a DJ/ Floor Host, we competed for girls like it was an Olympic sport but most of the time we crashed and burned like the skier on the Wide World of Sports....Carlos and I had a million laughs most at my expense, after losing contact in 1980 we reconnected on a job site and immediately picked up where we left off that is the kind of friend he was...Vaya con dios mi amigo*

*I met Carlos in 1976 after I started dating his cousin Christina. We became good friends and kept in touch after I enlisted in the Air Force. He was the best Foosball partner a guy could have, we proved that many times at Tiffany Billiards back in our day. I ran into Carlos at his home a couple of years ago and we picked up just as if it had been a couple of weeks. Godspeed my Brother.*

*“ My condolences to the Iruegas family on the loss of Carlos. I met the Iruegas family in 1977 after I started dating Christina Dixon, cousin of Carlos. The Iruegas family welcomed me into their home and I met the rest of the family. We grew close as friends and enjoyed each other's company. Godspeed Carlos and you were one of the best partners I had in Foosball. Watch over us.*

“ 20 years ago when I retired out of the Air Force my first job was for FBS Communications Carlos was my first supervisor he was honest, very hard-working, would give you the shirt off his back I remember he'd always talk about his family especially his children. Even though I haven't seen Carlos in a few years for some reason I was thinking about him about 3 weeks ago wondering how he was doing out of the blue he called me about a week later even though I hadn't seen him in many years it was nice to be able to talk to him again and ask him about his family and children. We talked about how the years went by so quickly and how we were getting so much older. I am so sad for his Family & Friends even though we hadn't seen each other in years it was great to talk to him and he will always be my friend.

“ My family met Carlos about 14 years ago or so at Blessed Sacrament Church through CYO. My husband, Mark and Carlos coached together and that is how I became friends with the family and Christine. Our oldest girls played club volleyball together as well and we shared lots of great times laughing and watching the girls play volleyball. Carlos was a great guy who was so easy to talk to and always checking on everyone to make sure they were ok. Your smile and your friendship will be missed but not forgotten my friend.

“ I met Carlos 20 years ago at FBS Communications. From that time we've spent many hours side by side working, laughing, fishing and goofing off. You will be missed brother.

“ I first met Carlos when I was on the management staff of the St. Anthony Hotel. He and his crew helped us bring the historical hotel into the new age technology of high speed internet...it was quite a challenge. Carlos even hired my young son which started him on his career path which still enjoys to this day. He introduced me to his sister Laura who I now count as a good friend. The last time I heard from him was a Christmas greeting from his home...I look forward to many more from his new heavenly home 🙏

Yes, Carlos gave me a shot many years ago that helped me. I was able to continue on in the industry and have had a very great career. I'm sorry to Carlos' Family for the loss and pain.

“ Carlos could see through BS better than anyone I know. His gift was in accepting most of our imperfections and still getting things done. He and I had many moments together amongst which was being his best man at his wedding. Through the many foosball tournaments we participated in, I got to know his hyper-competitive nature. I watched him take second place at an early Bart-O to the best player Austin had at the time. A good foosball player who would step up his game greatly by sheer force of will.

He will sorely be missed and although he had his Rebecca Creek favorite lately, for years prior to that we would have Kamikazes. Fact is, I first met him at a foosball tournament at a place called Sneakers on Austin highway some 35+ years ago. We remained friends through thick and thin this whole time. I will miss him more than most of the people I have known and I know that when its my time, he will be there to "kick my ass" on the grand foos table in the sky. God speed Brother.

“ You know when you start to grow up and realize all the things people have done for you and you start to think, “if I ever make something of myself, I will pay back all those people who helped shape my life.” Well Carlos (and his family❤️) was one of those people. I never got that chance. 😞

Thank you Coach Carlos for being one of the most influential people I had in my life growing up. I cherish all the memories of my Blessed Sacrament volleyball and basketball days. If it weren't for you and your family I wouldn't even have been able to play those sports and those years were the best years of my life. You weren't just a coach...you were a mentor and leader. The influence of a great coach can never be erased. 🙏

“ *My little brother I will miss you more y anything. The one we had that made our friendship special was that no matter the situation we always had each other's back,all we had to do is ask and it was taken care of . No one could ask for a better friend . I can't say it enough I will miss you dearly , love you brother.*

“ Carlos, in 1997 we crossed paths at work and shared knowledge from both our backgrounds and we also had many fun times and became good friends. I remember I wasn't at your wedding cause you left me behind in New Orleans to finish a project while you came home to marry your beautiful wife, Christine. That is just one of many stories. We will see each other in the next life my brother. May God keep you in peace and bless your family.
