

## Carlos E. Mora

January 22, 1994 - August 24, 2025

Carlos Ernest Mora, beloved son, brother, grandson, uncle, nephew, and cousin went home to be with the Lord on August 24, 2025.

He was born in San Antonio on January 22, 1994, to Mary and Chris Mora. After graduating from East Central High School in 2012 he went on to attend college from 2013-2015 at Texas A&M Kingsville. Carlos had a deep love for music that echoed his life. He found peace in the outdoors, especially while hunting, and was passionate about staying active, often in the gym pushing himself to be better. Football was more than a pastime- it was part of his soul, a game that taught him discipline, teamwork, and heart.

Carlos built businesses with heart and hustle, always chasing new ideas. His love for cars was more than a hobby- it was a lifelong fascination that reflected his appreciation for craftsmanship, speed and innovation.

His absence leaves a space that can never be filled, but his spirit will remain with us.

“ Carlos, As mom would say you and I were like oil and water but we always had our moments when it mattered the most. I was always so proud to say thats my brother #69 when you played football. I cheered so loud and so much people thought I was your parent. I thank you for coming through for me more than once when my family needed it. Thank you for being a uncle and a voice of reason to Christina when she needed more advice than just from her dad. Rest in peace and just know I have and will always love you little brother and im sorry I didnt get to tell you that!

“ Carlos, thank you for the memories we made together—introducing me to shoe collecting, fueling my passion for cars, and always challenging me to be better. I'll always remember you standing by me when I left for bootcamp. Your presence will be deeply missed.

“ Carlos, you were so much younger than me, but the bond we shared will always hold a special place in my heart. I’ll never forget the good times we had together, especially those hunting trips with your dad—memories that will stay with me forever.

*Life took us in different directions, and I’m sorry we lost touch along the way. But even with the distance, my love for you never faded. You’ll always be my cousin, always be in my heart, and I will never forget you.*

*I know you and Isaac were close—give him a hug and kiss from me. I can just picture the two of you acting up together up there, watching over us with smiles.*

*Rest in peace, Carlos. I’ll carry you with me always.*

“ We may have lost touch over the years, but when the news arrived, I couldn't help but feel saddened. I can still remember you as a little boy running around, then enjoying watching you play football and grow into a young man. May you rest in eternal peace. 🙏
