Carmen will always be remembered for her deep faith in God and her

devotion to her family. She was dearly loved by all who knew her and will be greatly missed and never forgotten.

“ one of the most beautiful, loving human beings we have ever known. The Camachos came to our house every new years eve before going to Karnes City to be with family. My Parents Maria and Ernesto Cortez along with many other members of our family have been the Arredondo and Camacho family friends for over 60 years, living in the barrio together, being compadres, neighbors, support system along with many wonderful, cherished memories. We Love you Tia Carmen, rest in peace. We love you Uncle Nato, Christine and Christopher. May God Comfort you and give you strength. From the Cortez Family, Maria, Ernesto, Lupita and Frankie.

“ the summer of 1998 I joined the staff at the skinner clinic and met the shyest little lady with the biggest brightest smile i have ever seen. Carmen taught me the ropes for the clinic procedures. as the years went by I loved her laughter, her giggles. we shared family stories about our kids and grandkids, as they came along. If you needed supplies Carmen knew where everything was stored, and could get it for you faster then she could tell you where it was I claimed her as a sister and got a lot of hugs over the years and lots of laughs. she tried teaching me some Spanish words, but I was hopeless at it I couldn't get my lips and tongue to go that fast. We retired the same year and I missed her hugs, her giggles and laughter and the twinkle in her eye, she definitely earned her wings. Rest in peace Carmen, I miss you. thank you for sharing your love of life with me

“ We can't say how very much we loved Carmen!!! She was like family to us! She was one of sweetest people anyone knew-always willing to go the extra distance for anyone & everyone! Dr. Skinner said he couldn't have managed the Clinic without her!! We know Carmen is already an Angel in Heaven because she had 88 years of practice on earth! Our deepest sympathy goes out to NATO, Christina & Christopher!! You were her life!!! Our Love to You All!! Clay & Donna

We met Carmen and Nato through our Compadres Edna and Jose Ramon Arredondo. We all had our children little and they grew up together. We remember being at 'Buelita Lupe's house and Carmen cooking in the kitchen , the kids playing outside and the men working on a car or truck. We were not blood related nut they treated us like family. So much so , that Georgie, Tony and Elisa called her "Tia Carmen". We have so many beautiful , fun memories. We loved her so much. We know that she is rejoicing in heaven with her family and all those that left this earth before her, including our beloved George, Sr. Our love and prayers to the Camacho family. May the Lord give comfort you and give you strength during these difficult days.
