“ *“In the hearts of those who loved you, you will always be there.” – Orion Carloto.*

Carmen, you and I shared something very unique that no one else can say they shared with you. You and I shared the title of “grandma” to two of the most precious children God created, Santana W. Curry & Sonya A. Curry. You will forever be in our hearts, and I will make sure to share memories of you with the babies. I pray that God wraps his arms around Sirena and the babies and gives them strength to get through the loss of you being here. God bless the entire family of Carmen as they grieve her loss. ❤️

*Love always,
Debbie & Kelly Qualls*
